Dear Shareholder,

Annual General Meeting of Custodian REIT plc (the “Company”)

1. Introduction

I am pleased to be writing to you with details of our 2019 Annual General Meeting (“AGM”), which we are holding at 1:00 pm on 31 July 2019 at the offices of Canaccord Genuity Limited, 88 Wood Street, London EC2V 7QR. The formal notice of the AGM (“Notice”) is set out on pages 5 to 7 of this document.

The purpose of this letter is to provide Shareholders with details of, the background to and reasons for, the resolutions to be proposed at the AGM, to explain why the directors of the Company (“Directors”) believe that the passing of the resolutions is in the best interests of the Company and its Shareholders as a whole and to recommend that Shareholders vote in favour of the resolutions.

If you would like to vote on the resolutions to be proposed at the AGM but cannot attend the AGM, please complete the Form of Proxy enclosed with this document and return it to the Company’s Registrars, Link Asset Services, **as soon as possible and, in any event, by not later than 1:00 pm on 29 July 2019**. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST manual and in accordance with the instructions set out in the notes to this Notice. You may also submit your vote by electronic means by lodging your proxy electronically using the shareholder portal ‘Signal Shares’ at www.signalshares.com. If not already registered for Signal Shares, you will need your Investor Code which can be found on your share certificate or dividend voucher.

2. Business to be transacted at the AGM

Details of the resolutions to be proposed at the AGM are set out below. Resolutions one to nine (inclusive) are to be proposed as ordinary resolutions and each resolution must receive over 50% of the votes cast to be passed. Resolutions ten to thirteen (inclusive) are to be proposed as special resolutions and each resolution must receive at least 75% of the votes cast to be passed.

Ordinary Resolution One: Report and Accounts

In accordance with the requirements of section 437 of the Companies Act 2006 (“Act”), the Company will lay before the AGM the report and accounts of the Company in respect of the year from 1 April 2018 to 31 March 2019, together with the reports of the Directors and auditor of the Company thereon (“Annual Report”). Shareholders will have the opportunity to put questions on the Annual Report to the Directors before the resolution is proposed to the AGM.

Ordinary Resolution Two: Remuneration Committee report

Shareholders will be asked to vote to approve the Remuneration Committee report as set out on pages 80 to 81 of the Annual Report (other than the part containing the Remuneration Policy) (an advisory vote).

Ordinary Resolutions Three, Four, Five and Six: Re-election of Directors

The Company’s articles of association (“Articles”) require that not less than one third of the Directors shall retire from office at each AGM and that a retiring director may offer himself for re-election. As a matter of good governance however, each of the Directors will stand for re-election at this AGM.

The Board has a process for the evaluation of its own performance and that of the individual Directors. In accordance with best practice this review is externally facilitated at least every three years and in the year ended 31 March 2019 the Board undertook the review with external expert assistance to provide a benchmark for the 2019 Board appraisals. The Company engaged Trust Associates in March 2019 to conduct a search for an additional independent non-executive director. The Directors keep the diversity, mix of skills, experience and knowledge of the Board under regular review. Having reviewed all recommendations following the Board evaluation, it is confirmed that each Director continues to be an effective member of the Board and to demonstrate commitment to the role. The Board therefore recommends that you support the re-election of each of the retiring Directors. Brief biographical details of each of the Directors are set out on pages 68 to 69 of the Annual Report.

Ordinary Resolutions Seven and Eight: Re-appointment of Auditor and Auditor Remuneration

Shareholders will be asked to confirm the re-appointment of Deloitte LLP as the Company's auditor to hold office until the conclusion of the next annual general meeting of the Company and to grant authority to the Directors to determine the auditor's remuneration.

Ordinary Resolution Nine: Grant of authority to the Directors to allot Ordinary Shares

This resolution is proposed as an ordinary resolution to authorise the Directors to allot relevant securities up to an aggregate nominal amount of £1,357,344.48 representing one-third of the share capital of the Company in issue as at 17 June 2019 (being the latest practicable date prior to the publication of the Notice).

In line with The Investment Association Share Capital Management Guidelines (the "**IA Guidelines**"), the authority will also permit the Directors to allot an additional one-third of the Company's share capital in issue as at 17 June 2019 (being the latest practicable date prior to the publication of the Notice), up to an aggregate nominal amount of £1,357,344.48, provided such additional shares are reserved for a fully pre-emptive rights issue.

The authorities sought under paragraphs (a) and (b) of Resolution Nine will expire on the conclusion of the next annual general meeting of the Company, or the date falling 15 months after the passing of the resolution, if earlier. The Directors would only seek to exercise the authority granted pursuant to paragraph (a) of this Resolution Nine in the circumstances described in the explanation to Resolution Ten below and to raise funds to pursue acquisition opportunities or for general working capital purposes. In exercising this authority, the Directors would only do so on the basis that the allotment of new shares is made at a premium to the prevailing net asset value ("**NAV**").

As at 17 June 2019, the latest practicable date prior to the publication of the Notice, no Ordinary Shares are held by the Company in treasury.

Special Resolution Ten: Disapplication of statutory pre-emption rights on allotment of Ordinary Shares

If the Directors wish to allot unissued shares or other equity securities for cash, or grant rights to subscribe for, or convert securities into, shares, or sell any shares which the Company may hold in treasury following a purchase of its own shares, section 561(1) of the Act requires that such shares or other equity securities are offered first to existing Shareholders in proportion to their existing holdings. There may be occasions, however, when the Directors need the flexibility to finance business opportunities by the issue of shares without a pre-emptive offer to existing Shareholders. This cannot be done under the Act unless Shareholders have first waived their pre-emption rights.

It is proposed that the Directors be granted authority to allot equity securities for cash, without first being required to offer such securities to existing Shareholders, by the limited dis-application of section 561 of the Act.

Resolution Ten will, if passed, allow the Directors to allot equity securities, or sell treasury shares, for cash up to a maximum aggregate nominal value of £407,203.34 (representing 40,720,334 Ordinary Shares), which is equal to 10% of the issued Ordinary Share capital of the Company as at 17 June 2019 (the latest practicable date prior to publication of the Notice) without first being required to offer them to Shareholders. The total number of Ordinary Shares in issue as at 17 June 2019 (being the latest practicable date prior to publication of the Notice) is 407,203,344.

The proposed resolution also disapplies the statutory pre-emption provisions in connection with a rights issue and allows the Directors, in the case of a rights issue, to make arrangements in relation to fractional entitlements or other legal or practical problems which might arise. If given, this authority will expire on the conclusion of the next annual general meeting of the Company or the date falling 15 months after the passing of the resolution, if earlier.

Special Resolution Eleven: Disapplication of statutory pre-emption rights on allotment of Ordinary Shares

If Resolution Nine is passed, in addition to the power conferred by Resolution Ten, it is proposed that the Directors be granted authority to allot further equity securities for cash, without first being required to offer such securities to existing Shareholders, by the limited dis-application of section 561 of the Act.

Resolution Eleven will, if passed, allow the Directors to allot equity securities, or sell treasury shares, for cash up to a maximum aggregate nominal value of £407,203.34 (representing 40,720,334 Ordinary Shares), which is equal to 10% of the issued Ordinary Share capital of the Company as at 17 June 2019 (being the latest practicable date prior to publication of the Notice) without first being required to offer them to Shareholders. The total number of Ordinary Shares in issue as at 17 June 2019 (being the latest practicable date prior to publication of the Notice) is 407,203,344.

This authority shall continue for the same period as the authority conferred by Resolution Ten, provided that the Company shall be entitled to make offers or agreements before the expiry of such authority which would or might require equity securities to be allotted after such expiry and the Directors may allot equity securities pursuant to any such offer or agreement as if this authority had not expired.

Part 1 – Letter from the Chairman of Custodian REIT plc

continued

The Directors are aware that the combined authority to dis-apply section 561 of the Act for up to 20% of the Company's issued Ordinary Share capital sought under Resolutions Ten and Eleven is higher than the level recommended by best practice in accordance with the IA Guidelines and the Pre-emption Group's Statement of Principles on Disapplying Pre-emption Rights. The Directors believe that a larger authority is justified to continue the Company's programme of tap issuance to enable it to fund future acquisitions. New Ordinary Shares will only be issued to new and existing Shareholders at a sufficient premium to NAV at the point of issue to at least cover the costs of issuing the new Ordinary Shares and will therefore be accretive to the prevailing NAV for existing Shareholders. Whilst existing Shareholders' voting rights will be diluted, the Directors believe this consideration is outweighed by the flexibility that a larger authority provides and the cost savings associated with not needing to issue subsequent circulars to obtain further authority. The Directors intend to use this authority only when they consider it to be in the best interests of Shareholders to fund suitable property acquisitions. At the 2018 annual general meeting, the equivalent resolution to this Resolution Eleven was not passed. Since then, the Company has taken steps to engage with Shareholders on the rationale behind the Directors' belief that a larger authority is justified to continue the Company's programme of tap issuance to enable it to fund future acquisitions. The Directors continue to support this approach and believe that votes against the equivalent resolution at the 2018 AGM were largely from shareholders following Institutional Voting Information Service recommendations, based on the Pre-emption Group's guidance, which did not take account of the Company's specific rationale.

Special Resolution Twelve: Further disapplication of statutory pre-emption rights on allotment of Ordinary Shares

Authority is sought from Shareholders for the Company to make market purchases of Ordinary Shares, such authority being limited to the purchase of up to 10% of the Ordinary Shares in issue as at 17 June 2019, being the latest practicable date prior to publication of the Notice (that is, 40,720,334 Ordinary Shares). The resolution sets out the maximum and minimum prices that can be paid.

As at 17 June 2019, being the latest practicable date prior to the publication of the Notice, there were no outstanding warrants or options over equity shares in the capital of the Company.

The Directors have no present intention of exercising the authority to purchase the Company's Ordinary Shares but will keep the matter under review. The authority will be exercised only if the Directors believe that to do so would result in an increase in earnings per share or an increased NAV per share (or both) for the remaining Shareholders, and would be likely to promote the success of the Company for the benefit of its Shareholders as a whole.

Special Resolution Thirteen: Notice Period for General Meetings

The Act provides that the notice period for listed company general meetings is 21 days, but companies may reduce this period to 14 days (other than for annual general meetings) provided that:

- (i) The Company offers facilities for shareholders to vote by electronic means; and
- (ii) There is an annual resolution of shareholders approving the reduction in the minimum notice period from 21 to 14 days.

Shareholders approved 14 clear days' as the minimum period of notice for all general meetings of the Company (other than annual general meetings) at the annual general meeting held in July 2018, effective until this AGM. This resolution is proposed to allow the Company to continue to call general meetings (other than annual general meetings) on 14 clear days' notice effective until the next following annual general meeting of the Company when it is intended that the approval will be renewed again. The Company will use this notice period when permitted to do so in accordance with the Act and when the Directors consider that it is appropriate to do so, and would not be used as a matter of routine.

3. Action to be taken

You are entitled to appoint one or more proxies to attend and vote at the AGM on your behalf. You will find enclosed with this document a Form of Proxy for use in connection with the AGM. Whether or not you propose to attend the AGM in person, you are requested to complete and return the Form of Proxy to the Company's Registrars, Link Asset Services, (or, in the case of Forms of Proxy returned by email, to the Company) as soon as possible and, in any event, so as to be received not later than 1:00 pm on 29 July 2019. CREST members may also appoint a proxy or proxies through the CREST electronic proxy appointment service. The completion and return of a Form of Proxy will not prevent you from attending the AGM and voting in person should you wish to do so.

You may also submit your vote by electronic means by lodging your proxy electronically using the shareholder portal 'Signal Shares' at www.signalshares.com. If not already registered for Signal Shares, you will need your Investor Code which can be found on your share certificate or dividend voucher. Please see the instructions set out in the notes to this Notice for more information.

4. Recommendation

The Directors consider that all of the resolutions to be proposed at the AGM are in the best interests of the Company and its Shareholders as a whole. Accordingly, the Directors unanimously recommend that Shareholders vote in favour of all of the resolutions, as, where relevant, the Directors intend to do in respect of their own beneficial holdings.

Yours faithfully

David Hunter

Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider(s), to procure that his or her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections.
17. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Appointment of proxy by joint members

18. In the case of joint holders, where more than one of the joint holders completes a proxy appointment, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).

Changing proxy instructions

19. Shareholders may change proxy instructions by submitting a new proxy appointment using the methods set out above. Note that the cut-off time for receipt of proxy appointments (see above) also applies in relation to amended instructions; any amended proxy appointment received after the cut-off time will be disregarded.
20. Where you have appointed a proxy using the hard-copy proxy form and would like to change the instructions using another hard-copy proxy form, please contact Link Asset Services (for details of which, see note 12).
21. If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.

Notes continued

Termination of proxy appointments

22. A shareholder may change a proxy instruction but to do so you will need to inform the Company in writing by either:

- Sending a signed hard copy notice clearly stating your intention to revoke your proxy appointment to Link Asset Services; or
- Signing a hard copy notice clearly stating your intention to revoke your proxy appointment and sending a scanned copy to the Company by email to the address: info@custodiancapital.com.

23. In the case of a shareholder which is a company, the revocation notice must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company. Any power of attorney or any other authority under which the revocation notice is signed (or a duly certified copy of such power or authority) must be included with the revocation notice.

24. In either case, the revocation notice must be received by the Company no later than 1:00 pm on 29 July 2019.

25. If you attempt to revoke your proxy appointment but the revocation is received after the time specified, your original proxy appointment will remain valid unless you attend the meeting and vote in person.

Corporate representatives

26. A corporation which is a shareholder can appoint one or more corporate representatives who may exercise, on its behalf, all its powers as a member provided that no more than one corporate representative exercises powers over the same share.

Issued shares and total voting rights

27. As at 6:00pm on 17 June 2019 (being the latest practicable date prior to publication of this Notice), the Company's issued share capital comprised 407,203,344 ordinary shares of £0.01 each, carrying one vote each. Therefore, the total number of voting rights in the Company as at 6:00pm on 17 June 2019 (being the latest practicable date prior to publication of this Notice) is 407,203,344.

28. The website referred to in note 37 will include information on the number of shares and voting rights.

Questions at the meeting

29. Any member attending the meeting has the right to ask questions. Questions may not be answered at the meeting if answering the question would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, the answer has already been given on a website in the form of an answer to a question, or it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

Nominated persons

30. If you are a person who has been nominated under section 146 of the Companies Act 2006 to enjoy information rights ("**Nominated Person**"):

- You may have a right under an agreement between you and the shareholder of the Company who has nominated you to have information rights ("**Relevant Shareholder**") to be appointed or to have someone else appointed as a proxy for the meeting.
- If you either do not have such a right, or if you have such a right but do not wish to exercise it, you may have a right under an agreement between you and the Relevant Shareholder to give instructions to the Relevant Shareholder as to the exercise of voting rights.
- Your main point of contact in terms of your investment in the Company remains the Relevant Shareholder (or, perhaps, your custodian or broker) and you should continue to contact them (and not the Company) regarding any changes or queries relating to your personal details and your interest in the Company (including any administrative matters). The only exception to this is where the Company expressly requests a response from you.

Entitlement to raise audit concerns

31. Under section 527 of the Companies Act 2006, a shareholder or shareholders, meeting the threshold requirements set out in that section, have the right to request the Company to publish on its website a statement setting out any matter relating to the audit of the Company's accounts (including the auditor's report and the conduct of the audit) for the period from 1 April 2018 to 31 March 2019 that are to be laid before the AGM.

32. Where the Company is required to publish such a statement on its website:

- It may not require the shareholder(s) making the request to pay any expenses incurred by the Company in complying with the request;
- It must forward the statement to the Company's auditors no later than the time the statement is made available on the Company's website; and
- The statement may be dealt with as part of the business of the meeting.

Voting

33. Voting on all resolutions will be conducted by way of a poll rather than on a show of hands. This is a more transparent method of voting as shareholders' votes are counted according to the number of shares registered in their names.
34. As soon as practicable following the meeting, the results of the voting will be announced via a regulatory information service and also placed on the Company's website.

Communication

35. Except as provided above, shareholders who have general queries about the meeting should call the Company Secretary on +44 (0)116 240 8740 (no other methods of communication will be accepted).
36. You may not use any electronic address provided either in this Notice of AGM or any related documents (including the chairman's letter and Form of Proxy) to communicate with the Company for any purposes other than those expressly stated.
